

Proposed New Westcroft Pavilion

Come along to an Information, Discussion and Fun activities morning for local people

Saturday 30th May between 10am - 12am

www.milton-keynes.gov.uk/leisure_facilities

Tel: 01908 253154

Milton Keynes Council together with MK Partnership will be providing a new Pavilion to support the playing fields off Cranbourne Avenue at Westcroft. It will be a small community building with changing facilities and a small social area/meeting space.

MK Council staff, your local Councillors and the Parish Council will be there to talk to you and we will have images of similar buildings for you to look at for comment. We will be on the proposed site of the Pavilion, (behind the car park off Cranbourne Ave, next to the play area and allotments) between 10am and 12noon.

There will also be a few activities for children and families to participate in at the same time, Small Sports (Football, Cricket, Swingball), Games, Face Painting and colouring.

A further information evening will be held at Westcroft Library on 11th June 4pm – 6pm.
