## The Recruiting Officer's Tale

*"I came to Milton Keynes due to my job. I've been in the army for 25 years. It's a great career and there's nothing better out there as far as I'm concerned. I've been in the army since I was 16 and I wouldn't change it for the world."*

*CMK is great if you are say age bracket 16-30 but there are no traditional pubs – somewhere with a dart board and a pool table where you can have a pint and a chat. If you're going to attract people from my age group you need something like that. It would be great to have a public swimming pool in CMK."*
