Derek Walker, MKDC Chief Architect 1970 -76

*'Animation – it isn't just shops. You've got to have things going on.'* That was the influence in Middleton Hall which was precisely for that purpose.'

Middleton Hall continues to be a central space hosting events which entertain the community. Each year the award winning Christmas show is displayed in Middleton Hall, featuring the biggest Santa's Grotto in Milton Keynes.

In 2010 Middleton Hall will be used to host the home games of local basketball team, MK Lions, throughout the first half of the season. MK Lions play in the Basketball league, the Premier league of the sport, and are previous champions of the league with strong links to the local community.
