WHAT'S YOUR STORY?

## Going shopping!

*'I worked in the little Indoor Market which opened the same time as the Shopping Centre. It was a lovely place with about 12 stalls. I worked on the Fabric stall. There was a bacon and ham stall, a cheese stall, a vegetable stall, an egg stall and a little place that sold shoes. Everyone was very friendly. I understand it closed because the rents increased so much. I remember a lovely baker – George Ort, and two pubs – The Rose and Castle and the City Duck – all gone now. When the Centre first*

*opened there was nowhere to have a cup of tea and something to eat but now we have such a choice.'*
