*Tickford Bridge, Newport Pagnell*

The Newport Pagnell Historical Society was founded in 1984 by a group of residents keen to preserve and record the town's heritage.

The aim was to find a home for all the artefacts and documents around, before they were lost or became damaged. Luckily, Chandos Hall in Silver Street became an option and after much negotiation it was purchased.

Over the years the Society has produced many books about the

history of the town and surrounding area written by local authors. The Society puts on regular displays of the artefacts and runs a regular programme of meetings for the public.
