Young film makers at work on the 'Music that Moves You' project

Supported by

The National Lottery®
through the Heritage Lottery Fund

Heritage Lottery Fund money has revitalised hundreds of museums, parks, historic buildings, landscapes and wildlife sites since 1994.

And Milton Keynes has received nearly £1.3 million of HLF investment since 2002.

Local projects include:

Music that Moves You

Living Archive received £23,400 for young people to make a film about the musical heritage of Milton Keynes.

John Newton and William Cowper

'Out of Clay' was an HLF funded exhibition of historic and contemporary pottery from Milton Keynes and North Buckinghamshire

From Slave Trade to Fair Trade

At Olney's Cowper and Newton Museum, people were able to explore collections and take part in events relating to the life and work of Olney-based slavery abolitionists, William Cowper and John Newton.

Milton Keynes is a priority area for HLF and we want to encourage local organisations to apply for funding.
