On Monday 4th October 1999 Milton Keynes Theatre – a theatre and entertainment centre of excellence in the region, managed by the Ambassador Theatre Group – opened its doors to the public for the very first time.

The 1400 seat auditorium, with its fully retracting ceiling that provides a more intimate viewing experience, makes every visit memorable. The programme on offer is a wide variety of first class dance, drama, musicals, opera, comedy and children's shows – perfect for all ages to enjoy.
