

## Milton Keynes Narrowboats

From the early days, the canal at the end of the garden was an enticing opportunity for community involvement.

Though the boat is no longer part of Inter-Action MK, there is still a strong connection with the canal.

Very soon, Milton Keynes Narrowboats Ltd was formed and a new avenue found for engaging young and old alike.

The narrowboat, *Life Enabler*, was all about giving disadvantaged people an experience where they could live and work together and gain confidence - learn, discover and have fun. User groups were many and varied – the logbooks contain many memories of interesting trips.
