

## Inclusive Arts

Inclusive is what Inter-Action has always been about – creating opportunities for people of all ages and abilities to take part in the arts.

It's not doing things for people – it's doing things with people, helping them to achieve for themselves at whatever level.

Shed MK sprang from London's Chicken Shed Theatre, with practitioners embarking on a course of training that enabled them to deliver the inclusive theatre philosophy and practice to local young people. They worked together to create such work as *Cloud Cuckoo Land* and a musical version of *The Tempest*.

The tradition is being maintained with Grid; dance, drama and music where everyone can be the star.
