

The History of Milton Keynes IN 100 Objects... ...the first 15

An introduction...

Inspired by the BBC's *History of the World in 100 Objects*, this new exhibition displays 15 objects chosen from many thousands of artefacts held by major heritage venues across Milton Keynes:

- Bletchley Park
- Cowper & Newton Museum
- Living Archive
- Milton Keynes City Discovery Centre *and*
- Milton Keynes Museum.

From an **Elephant's Tusk**...

...to a unique **Anti-Slavery Medallion**

...and proposals for the **Royal Train Livery**

...and the exploded rotor of an **Enigma Machine**

...and a brand new people's **On-line Catalogue** – which gives you access to the heritage that the people of Milton Keynes have experienced and brought with them...

Our city and borough area has played host to **events, people** and **eras** that are nationally – and internationally – momentous in the history of the modern world...

Feast your eyes on just a few of them and be amazed!
