

MINUTE BOOK  
SHERINGTON  
RECREATIONAL FIELD COMMITTEE

Sept 17th 1980

Feint

Recreational Field Committee

**Collins**

---

The Inaugural meeting of the Playing Fields Committee took place at the Sports Pavilion Perry Lane on 17th September 1980.

Present representing the Sheringham Cricket Club was Mr Paul Ralph and Mr Steve Himelcliffe.

Representing the Sheringham Football Club was Mr Bernard Haynes and Mr Graham Kinne.

Representing the Parish Council was Mr D. Chuseman and Mr P. Smith.

Mr Smith explained to the members present that the Parish Council, in drawing up a constitution for the new committee had decided that the chairman of the committee would always be a representative of the Parish Council and in this instance it would be Mr P. Smith.

The Chairman then asked if anybody would be prepared to carry out the Secretary's functions, Mr Chuseman said he would and this was agreed by other members present.

### Sports Pavilion

The Chairman stated that the Parish Council had discussed the report raised by the two council representatives on the state of the sports pavilion and had agreed to allocate £1,000 to bring the

position up to an acceptable standard.

It was agreed by the committee that the report would be reviewed at the next meeting and from it priorities would be allocated, in addition it would be discussed what works would be by voluntary labour and what would be by contract.

### Playing Field Area

The cricket club representatives stated that the present cricket table was extremely dangerous and had to be re-laid within 3-4 weeks to be ready for the 1981 season.

They would however had liked to move the table further into the centre of the field, but this would mean encroaching onto the football field.

After a general discussion it was agreed that the re-laying of the table would be held in abeyance pending the outcome of talks with the Chairman of the Parish Council and the landowner Mr J. Cook, with a view to leasing the whole of the field, which would make the cricket table positioning more acceptable in the long term and the football field in a more permanent position as well as 'freeing' other areas for other sports.

### Pavilion Repairs

Mr Ralph stated that he would try and make arrangements for the plumbing for the showers to be carried out by voluntary labour and for any decorating materials required to be supplied at cost price.

Mr Kinross stated he would look after the manufacture of the window bars himself.

The date for the next meeting was fixed for 11.0 AM Sunday September 25th 1980.

There being no other business the meeting was closed

CHAIRMAN.

25.9.80.

A committee meeting took place at the Sports Field on Sunday 25th Sept 1980.

Present was the Chairman Mr Smith and B. Haynes and G. Kinross. Apologies were received from D. Cheeseman, P. Ralph and Steve Hinchcliffe. This was a meeting to decide on the allocation of priorities and to whom the work would be given.

B. Haynes and G. Kinross on behalf of

the Football Club accepted responsibility for the work in the Shower Room with the committee members, other than the plumbing.

The Chairman would see a building contractor before October 2nd 1980 for advice and for a tentative cost of works to the Pavilion roof in order that the building was made weatherproof before any bad weather set in.

Another meeting would be called when roof work had been carried out with a view to exploiting offers of voluntary labour and generally tidying up the interior with special emphasis on the decor.

A date for the next meeting would be finalised later, possibly late October.

There being no other business the meeting was closed.

A committee meeting took place in the Village Hall on Tuesday 20th January 1981. Present was the Chairman Mr P. Smith, the Clerk, Mr Kevin Lock, Mr Paul Ralph, Mr Bernard Haynes and Mr Steve Hinchcliffe. The minutes of the previous committee meeting were read confirmed and signed.

#### Matters Arising - Roof Work

The Chairman stated that between the previous meeting and this one on October 1st 1980, he had contacted a Mr J.C. Collins of Hamelope to carry out remedial work on the Pavilion roof for an approximate sum of £200.

On October 2nd 1980 the following proposition was put to the Stevington Parish Council and passed by them. "That Mr. Collins of Hamelope be asked to carry out remedial works to the roof of the pavilion for an approximate sum of £200, the work to be completed by 31st October."

Mr Smith stated that the work had in fact cost £293.00

Before the next business, Mr David Byrne was asked to report by <sup>the</sup> Chairman with reference to the offer a "Terrapin Building".

Briefly it was that it was a portable type building of 180' x 54' floor area, in good

condition situated at Olney and it was  
on offer for an approximate sum of £2000.  
It was resolved that Mr Hook & Mr Hinchcliffe  
would visit the site and inspect the building  
during the week. <sup>of</sup> while the remainder of the committee would  
also carry out a visit on Sunday 25th January.  
Because the offer of the building was only open  
for a limited period of time it was agreed  
that an extraordinary meeting would be held  
at Mr Paul Ralph's home at 34 Carvers Close  
on Tuesday 27th January to discuss the site  
visit and formulate if necessary a plan  
of action.

The meeting continued, after thanking Mr Byrne,  
with the Chairman explaining to the committee  
that 2 bills had to be paid. The first one  
was an overhauling bill presented by PHILIP E. SMITH  
for works carried out at the Pavilion 2 years ago  
of £234.34. £100 had been paid off this and  
the balance now had to be paid off.

The second bill was in fact a promissory note  
for £150 to be paid to Mr P. Gardner, that was  
2 years overdue. After discussion it was  
agreed that these two accounts would be  
presented to the Parish Council for payment

at their m

at their next meeting. The Chairman stated that there was left in the bank account of the now defunct Playing Fields Association a sum of £169 which would be transferred to the Parish Council.

The Chairman asked the cricket club what they felt needed to be done to the Pavilion before their season began? The reply was that the grass needed sharpening & repairing which would be arranged by Paul Ralph / Mike Hawkins. In addition it was felt that the interior needed decorating and the glass replacing when broken. Paul Ralph would see to the paint, but would the Parish Council buy the glass at roughly £100?

The football club when asked the same question would like the showers finished off and the ditch cleaned out behind the pavilion.

Steve Hinchcliffe asked could the pipes at the bottom of the field be cleared away and could the whole area be tidied up? It was agreed to ask the Parish Council.

There being no other business the meeting was closed.

John W. Cook  
CHAIRMAN

An extraordinary meeting took place at the home of Mr Paul Ralph on January 27th 1981. Present was the Chairman Mr P. Smith, Mr. D. Chaceman, Mr B. Haynes, Mr Steve Hinchcliffe, Mr Kelvin Lock, Mr Graham Kinnor & Mr Paul Ralph.

The meeting was called to discuss the visit by committee members to the site at Olney where a portable building was on offer, and the action to take from that visit.

By way of comment it was known that a verbal offer for £5,000 had been made for the building and so after discussion it was agreed the following, on a proposal put forward by Kelvin Lock.

(1) If the offer of £5,000 was offered and accepted by the Energy Co. then the committee would make an offer to the purchaser with a view to buying a portion of the building.

(2) After clearance with the Parish Council the committee would make a written offer of a thousand pounds to the Energy Equipment Co. of Leigham Buzzard, with a copy to David Byrne, the offer to be drawn up by Paul Ralph.

This was seconded by Mr Bernard Haynes, all were in favour

John W. Cook  
CHAIRMAN.

A committee meeting was held at the Sports Pavilion Perry Lane at 7.30 pm on 11th August 1981.

Present was the Chairman MR J. Cook, MR Chessman, Mr K. Lock, Mr B. Haynes, Mr G. Kinross, Mr P. Ralph & Mr B. Lambz.

The minutes of the previous meeting were taken as read confirmed & signed.

Matters arising None.

Lower fittings The Secretary explained to the Committee that the Parish Council had received from the Football club a request to purchase two showers at a cost of £62.00 each, needed very urgently. Would the committee sanction this purchase?

It was agreed on a proposition put forward by Kelvin Lock and seconded by J. Cook, all were in favour to sanction the request to the Council.

### Storage-lean to.

The Secretary explained to the Committee that a request had been received to the Parish Council to purchase wood to build a "lean to" to store various pieces of equipment, which were being vandalised and deteriorating generally.

A quote had been received from E. Wharton & Sons Ltd for the following:

20 boards (hatch-way edge) 3.6 x 250 x 19

10 " " " " 3.0 x 250 x 19

at a total cost of £50.60, this would be sufficient to build a lean to 12' long x 6' high (2 sides) & 1 end 9' long x 6' high.

A preliminary check of the actual requirements was made and it was agreed that a plan should be produced and the quantity revised. This to be done by the Secretary.

### Any other Business.

(1) Kelvin Hock asked whether now was the time to talk about having a brick built pavilion in the future? It was agreed that this should be the target for the committee, and Mr Kinne stated he would approach David Byrne, with a view to meeting the committee and collecting

various items  
new pavilion

various thoughts on the shape & size of a new pavilion, from this a plan would be produced and eventually the "target" to be aimed at. There being no other business the meeting was closed after agreeing the date of the next meeting on Tuesday 8th Sept 1981 at 7.30pm

John W. Cook  
CHAIRMAN.

A committee meeting was held at the Sports Pavilion Perry Lane on Tuesday 8th September at 7.30. Present was the Chairman Mr J. Cook, Mr Chessman, Mr J. Reynolds, Mr B. Hamry, G. Kinno, B. Haynes, K. Hook

The minutes of the previous meeting were read confirmed & signed

Matters arising. Shower fittings Mr Haynes stated that an order had been placed to purchase these.

Storage - lean to The Secretary stated that a very good start had been made, could arrangements be made to try and finish it? It was agreed that Kelvin Hook and Bernard Haynes, on Thursday 10th Sept, secure the

wall plate and door uprights were permanent by using bolts. Kelvin Cook and D. Cheesman with any others to be at the pavilion Saturday morning (12th Sept) to fix the roof & if possible the doors.

The Secretary introduced David Byrne to the Committee, who had been invited by G. Kinans, to join in a discussion on the requirements of a permanent pavilion.

A lot of ideas were put forward and from these it was agreed that David Byrne would draw up a basic scheme from which the Committee would be able to draw up a realistic financial target to be aimed for. David Byrne to present the scheme at a later date.

Any other Business None.

There being no other business the meeting was closed after agreeing to meet on Tuesday 6th October at 7.30

A Committee meeting was held at the Sports Pavilion  
Leamy Lane on Tuesday 6th October 1981.

Present was Mr Chessman, Mr Haynes, Mr Kinne, Mr Reynolds  
& Mr Hinchcliffe.

Apologies were received from Kelvin Lock & J. Cook.

The minutes of the previous meeting were read  
confirmed and agreed to be signed at the next  
meeting.

#### Matters Arising Shower fittings

Mr Haynes stated these had now been purchased  
and it was hoped to fit them shortly, but  
it depended on how soon the shower room  
could be emptied of its bins and pieces  
into the "lean" to.

#### Storage - lean to

The Secretary stated that it was nearing  
completion, the doors needed to be fitted and  
the whole thing erected, it was hoped  
to complete the door fitting Saturday 10th  
October.

The Secretary introduced David Byrne who  
at the previous meeting had been asked  
to draw up sketches based on the committee's  
suggestions.

The sketches were presented to the committee

as scheme 'A' and scheme 'B'. After a general discussion it was agreed that scheme "B" offered the best of the two, with minor alterations.

asked for an estimate of costs Mr Byrne stated that as a "self build" project it would be approximately £10,000, as a contracted project it would be approximately £15,000. Each organisation took a copy of the plan to take back their respective committees.

The Secretary stated that it would be presented to the Parish Council at their next meeting and their comments invited.

#### A.O.B.

G. Kimms asked if it was possible to know who the cricket club representatives were?

A committee meeting was held at the Sports Pavilion, Perry Lane on Tuesday 10th November 1981.

Present was Mr J. Cook, Mr G. Kirrow, Mr J. Reynolds and Mr S. Hinchcliffe. Apologies were received from Mr D. Cheesman & Mr B. Haynes.

No minutes were available for the meeting.

#### Pavilion Plans

It was expressed that the Parish Council were in favour of a new pavilion, although their financial commitment was not forthcoming.

Development grants from the Boro' Council and Sports Council were discussed but it was agreed that the committee must get the plans accepted first.

It was proposed by S. Hinchcliffe to thank David Bynne for his preliminary plans and to ask him to present them to the Borough Council for their acceptance, it was thought this would cost about £40, would the Parish Council pay?

Mr Cook to speak with David Bynne.

Mr Cook proposed that the committee think about getting estimates for the building of the pavilion, to ascertain the likely cost.

Chris Smith is to be asked to look into the 'grants' from the Boro' Council, whilst Mr Cook

and Mr Kinross would enquire in other directions.  
Mr John Reynolds asked if the Parish Council could take steps to have the concrete pipes at the side of the pavilion removed as well as the derelict car, which were an eyesore and extremely dangerous to children.

It was suggested that once the pavilion was given the "go ahead" that possibly a management committee made up of members of the Football & Cricket teams be appointed to supervise and control the money raising side. This committee of course will not detract from the existing Playing Fields Association Committee but will complement it.

It was stressed once again by the football club that work on the showers couldn't start until the completion of the "lean to", therefore it should have immediate priority.

It was agreed that the next meeting would be on Tuesday December 1st at 7.30.

There being no other business the meeting closed at 8.30 pm.

Present was the chairman Mr J. Cook, Mr D. Cheesman  
Mr G. Kinne, Mr Kelvin Lock, Mr B. Haynes & Mr J  
Reynolds. Apologies were received from Mr S. Hinchcliffe.  
The minutes of the previous meeting were read  
confirmed and signed.

### Matters Awaiting New Pavilion

The Secretary stated that he had spoken with  
David Byrne about the proposed pavilion and  
the following was a summary of events up to date.

- (a) The 'Boro' had sent a representative who with  
David Byrne had viewed the site and had  
given a "tentative" yes providing two  
conditions were met, and these were
  - (1) That an adequate car park be provided
  - (2) The 'lean to' and kitchen presently attached  
to the building should be pulled down, thereby  
'squaring' off the main structure and the  
building should be cleaned up (crossed etc)
- (b) David Byrne to go ahead and apply for  
planning permissions.
- (c) David would be at the January meeting  
to give a progress report

## Grants

JOHN Reynolds  
would watch  
what the  
Committee  
got together.

G. Kinns stated that the Boro Council would be willing to give a 50% grant, as to other sources of grants, this would be looked into a later date.

## Concrete pipes & diesel car.

These had now been removed.

## Leam to

This was now complete and the keys given to both the Cricket and football clubs.

## New Showers.

The Football Club stated that work on these would begin as soon as possible.

## Gang Mowers

It was agreed that these needed servicing and it was arranged that Bernard Haynes would transport them to Haynes Garage where the servicing could be carried out either there or at Rogers Engineering.

The next meeting was arranged for Tuesday January 5th at 7.30pm.

There being no other business the meeting was closed.

Emy home on Tuesday 5<sup>th</sup> January 1982. Present was the  
Chairman Mr J.W. Cook, Mr Chaceman, Mr S. Hinchcliffe, Mr J. Reynolds  
Mr G. Kinross. Apologies were received from B. Haynes and  
K. Lock.

The minutes of the previous meeting were read and  
found to be incorrect on the paragraph headed  
"GRANTS" this <sup>to</sup> read as follows:

"John Reynolds stated that the Boro Council would  
be willing to give a grant equal to the  
sum raised by the committee, as to other sources  
of grants this would be looked into at a later  
date."

The remainder of the minutes were confirmed and  
signed.

#### Matters Arising New Pavilion

The Secretary stated that nothing had been heard  
from David Byrne but he would make contact  
and get an 'update' on events.

New Showers Work had now started although  
the recent frosts had caused considerable damage  
to the pipes.

Gang Mowers The front part of these had been  
taken to Haynes Garage, but there were problems  
in obtaining 'matching bottom plates'

## Hiring Fees

The Chairman explained that the public auditor had made comments on auditing the Parish Council books that clubs using the sports field facilities should now commence paying for their use.

Would the football/cricket club representatives offer a suitable hire fee? After general discussion it was agreed that each club would pay a fee of £25.00 per annum subject to confirmation after meetings of their own clubs.

On the subject of 'outside' clubs using the facilities it was agreed that a fee of £5 would be levied, this would be for football teams only since it was thought unlikely that 'outside' cricket teams would be encouraged.

## A.O.B.

G. Kimms asked about missing bolts from the Chuffers, these would be replaced.

A committee meeting was held at the Sports Pavilion on Tuesday 2nd February 1982. Present was the Chairman Mr J.W. Cook, Mr Clellaman, Mr J. Reynolds & Mr B. Hargrove. Apologies were received from Mr G. Kinns. The minutes of the previous committee meeting were read confirmed and signed.

Matters Arising Chowers Work hadnt started yet, but it was hoped to commence shortly.

Pavilion The Secretary explained that there had been some confusion between himself and David Byrne about the 'go ahead' to get planning permission, however this had now been resolved and a revised plan would be available for the committee at the March meeting.

Gang Mowers These are past repaired and it is hoped to finish this off as soon as possible, including the fitting of 4 new tyres.

Hiring Fees Both the Cricket and Football <sup>clubs</sup> had been back to their respective committees and had the £25.00 p.a fee to the Parish Council endorsed.

A.O.B.

John Reynolds explained that the 'outfield' at the start of the season would probably need two cuts per week, would the Parish Council be prepared to pay for this? It was agreed that the Parish Council would be approached as to whether

they would finance it, providing of course that G. Kirrins was prepared to do it. Jack Cook stated that if nothing was forthcoming then perhaps he could arrange an alternative.

Pavilion Management Committee

It was agreed that the Cricket and Football clubs would get together with a view to forming the above committee made up from representatives from both clubs and others who had no vested interest in either club so that they could act as arbitrators in the event of a dispute between the clubs. Progress from this to be reported back at the next meeting.

There being no other business the meeting was closed.

A committee meeting was held at the home of Mr. J.W. Cook on Monday 1st March 1982. Present was the Chairman Mr. J.W. Cook, Mr. Cheekman, Mr D. Ferris, Mr G. Kinross, Mr B. Haynes, Mr. P. Ralph, Mr J. Reynolds and Mr D. Byrne.

The minutes of the previous committee meeting were read confirmed and signed.

Matters Awaiting Showers. G. Kinross stated that they were waiting for Bob Fealey to commence work on them.

#### New Pavilion

David Byrne presented a revised set of plans to the committee and after a general discussion it was agreed that with minor alterations, these would be put forward for planning application.

Proposed by Paul Ralph seconded by John Reynolds all were in favour. The costs (estimated) would be in the region of £10-12000 for self building.

Lawn Mowers 1 set had been repaired and the others would be started on.

Outfield Jim Collard had been contacted and he would be prepared to mow the outfield for the cost of the fuel used.

#### Pavilion Management Committee

The Secretary explained that at the previous meeting it had been agreed that the cricker and football clubs would get together with a view

to forming the "Pavilion Management Committee". This committee would be responsible for fund raising, and day to day running of the pavilion. However on reporting back to the Parish Council, the Council felt that there was no need for an additional committee but that there was a capacity for co-opting any additional members onto the committee to cope with fund raising. The result of this was that the Vice Chairman of the Parish Council, Mr Derek Ferris, had been invited to the present meeting to clarify the position.

Mr Ferris read extracts from two council meeting minutes which gave details of the constitution of the present Playing Fields Committee, this didn't allow for an additional committee and could only be allowed by changing the constitution. There was a separate account, administered by the Parish Council, called the "New Pavilion Account" which had at present £125.75 lodged in it from "Shefo". It was agreed, after a lengthy discussion, that a "fund raising group" would be formed made up from cricket/football club representatives plus others whose function would be to raise funds for the new pavilion, the "day to day" running would be carried out by this committee.  
(The Playing Fields Committee)

A.O.B. Derek Ferris asked how the old bus shelter was in it's new environment? Quite well, but needs "bussing up".

Bernard Haynes stated that there were hoof marks around the edge of the field and "dog droppings" all over the place. Could something be done? It was agreed that an appeal would be placed in "SCAN".

Paul Ralph asked could sufficient water pressure be applied to enable the pitch to be watered? It was agreed this was only possible by using a pump.

John Reynolds asked would the Parish Council approach Jim Colford about mowing the field? Yes, but he would be asked to mow the whole field.

Mr Byrne and Mr Ferris were thanked for attending and Mr Cook for the use of his home.

There being no other business the meeting was closed.

John W. Cook,  
CHAIRMAN.

A committee meeting was held at the Sports Pavilion on Tuesday 6th April 1982. Present was the Chairman Mr J.W. Cook, Mr D. Cuckman, Mr J. Reynolds, Mr B. Haynes, Mr G. Kinross & Mr P. Ralph.

The minutes of the previous committee meeting were read confirmed and signed.

Matters arising. Showers - work was about to start.

Gang Mowers. These had been repaired but the spare parts were no longer available however it should last for the present season.

New Types It was felt that because the "life" of the gang mowers was fairly short, it wouldn't be worth buying new types. So it was agreed to try the gang mowers without buying new types, however if it became necessary to buy them then this would be allowed.

New Pavilion. Nothing to report.

Pavilion Management Committee Any discussion on this would be put in abeyance until the return of Steve Hinchcliffe.

A.O.B.

Mr Cook said he had made arrangements for Mr J. Tofts to cross the pavilion. Time and date to be decided.

Mr G. Kinross stated that because he was leaving the village he might not be able to serve on the committee in future, however, he would be more certain at the next meeting.

There being no other business the meeting was closed.

John W. Cook  
CHAIRMAN.

Start here.

A committee meeting was held at the Sports Pavilion on Tuesday 1st June 1982. Present was the Chairman Mr. J. W. Cook, Mr D. Cleckman, Mr Paul Ralph, Mr Steve Minchcliffe & Mr Bernard Haynes apologies from John Reynolds and Kelvin Lock.

Matters arising Showers Materials had been purchased and work was to commence shortly.

New Pavilion Plans for the new pavilion would be submitted in time for the July meeting.

Finance for the New Pavilion

The "SHEFCO" organisation

in the village had previously offered their services to raise money for the new pavilion, and it was agreed that Steve Hinchcliffe would approach this organisation to find out if they were still willing, to report by the July meeting.

A.O.B.

- (1) The Secretary asked about the trestle tables which had previously collapsed thru' wood worms etc. Their replacements were being made and should soon be ready.
- (2) Paul Ralph asked if the cricket square could be "roped off" to provide some token protection. It was agreed this would be done, Mr Cook to provide the stakes and sockets (pipes) and Mr Haynes to provide the rope.

There being no other business the meeting was closed

Date of the next meeting prior Tuesday in July.

on 22nd August 1952

An extraordinary committee meeting was held at the Sports Pavilion to discuss the proposed plans for the New Pavilion. Present was the Chairman Mr J.W. Cook, Mr Checceman, Mr Haynes & Mr Paul Ralph.

The plans were discussed and it was agreed were acceptable, proposed by Paul Ralph, seconded by B. Haynes all were in favour.

Could some minor details be added, the following.

- (1) A door from the referees room to the gents toilet
- (2) Could bench seats be provided along the Veranda/Terrace
- (3) Could the total cost be broken up into stages, for example.

CHAIRMAN.

A committee meeting was held at the Sports Pavilion on Tuesday 14th Sept '92. Present was the Chairman Mr J.W. Cook, Mr Challenor, Mr S. Hinchcliffe, Mr John Reynolds and Mr Bernard Haynes.

The minutes of the previous committee meeting were read confirmed and signed.

Matters Arising Showers These were almost complete and it was agreed to omit from the next agenda.

Trestle Tables These are completed and a letter of thanks sent to Mr Pomfret.

Cricket Square

It was agreed that the suggestion of sockets (pipes) let into the ground to provide an anchorage to "top off" the square might be a hazard to players running around. So it was agreed to try the method of hammering steel posts after every match and topping off. Eight of these provided by the football club.

### Finance for New Pavilion

Steve Hinchcliffe had met a member of the "Shefco" on a casual basis to discuss possible help from that organisation and from that discussion it was agreed that it would be better for Mr Hinchcliffe to attend the next meeting of "SHEFco" and put forward

a question

### New Pavilion Plans

These were now agreed and outline planning permission would be applied for.

### A.O.B.

(1) John Reynolds explained that it was the end of the season and the cricket square needed to be scarified reseeded in places and generally prepared for next season, estimated cost of between £90-100. Would the Parish Council agree?

(2) John Reynolds explained also that the outfield was giving problems because of the height of the grass, the present gang mowers not being good enough, could this be improved? Peter Gardner apparently had a set of gang mowers and it was agreed that Mr Cook would approach Peter Gardner with the possibility of the committee having use of them.

(3) A window was broken in the visitors room could this be repaired? It was agreed to ask Peter Gardner.

There being no other business the meeting was closed

John W. Cook,  
CHAIRMAN

A committee meeting was held at the Sports Pavilion on Tuesday 5th October 1982. Present was the Chairman Mr J.W. Cook, Mr Clewman Mr B. Haynes & Mr John Reynolds.

The minutes of the previous committee meeting were read confirmed and signed.

#### Matters arising.

Cricket Square Renovation John Reynolds put forward an itemised bill of for presentation to the Parish Council, although it was felt this sum would not be needed.

Gang Mowers The Chairman had approached ~~the~~ Peter Gardner about a possible sale but they had already been sold. It was agreed that the state of the present gang mowers would be reported back to the Parish Council for their consideration.

Broken Window This was still being repaired.

A.O.B. The Secretary stated that at the last meeting of the Village Hall Committee, that committee asked if more organisation representatives could be approached to serve on the committee of the Village Hall. Would the Football/Cricket club find representatives by January 1983 please!

They agreed

John W. Cook,  
CHURCHMAN.

A committee meeting was held at the Sports Pavilion on Tuesday November 3rd 1983. Present was the Chairman Mr J. V. Cole, Mr E. Cleevean, Mr B. Haynes & Mr I. S. Reynolds. The minutes of the previous committee meeting were read confirmed and signed. Matters arising  
Matters arising  
Cricket Square Renovation work had now been carried out and the square "topped off". Approximate cost was around £12.

Gang Mower This had been brought up at the Parish Council meeting and it was suggested as that meeting to put it forward as a project to purchase one at the Tannery '83 Project meeting. Meanwhile Chris Smith to keep an eye open for any liberty sales from local councils.  
Brother Windsor Took note to see Peter Gardner.

A. O. B.

The Parish Council felt that the declining

bill submitted at the last meeting ought to be paid by the Cricket Club. This was agreed. It was suggested that the meter cash box should be under lock & key, it was agreed, Bernard Haynes to supply keys and padlock. It was also suggested that the Parish Council might like to pay the standing charge? It was agreed to ask.

There being no other business the meeting was closed

John W. Cook  
CHAIRMAN.

A committee meeting was held at the Sports Pavilion on Tuesday 5th ~~December~~<sup>January</sup> 1983. Present was the Chairman Mr J.W. Cook, J. Reynolds, B. Haynes and D. Cheekman.

The minutes of the previous committee meeting were read confirmed and signed.

Electricity Meters. Padlock and keys had been provided the keys held by B. Haynes.

Grass Mower.

The Secretary stated that an unsuccessful attempt had been made to purchase a gang mower.

recently, <sup>but</sup> because of the lack of success, the need to have one would be put forward at the Parish Council project meeting.

### Pavilion

A letter from the boro' planners had been received by David Byrne briefly it stated that the boro' would not be prepared to grant planning permission without the Parish Council signing a legal document guaranteeing a car park, a reply to be made within 21 days. Resulting from this letter a site meeting was arranged between the Chairman ✓ Chairman and clerk of the Council and Mr Powell Sheddow. This was to study a proposal to use the existing car park as an entrance to the proposed car park. The existing car park was owned and administered by the Boro' Housing Dept of which Mr Powell-Sheddow was Chairman of its allocation committee. The outcome of the site meeting was that Mr Powell-Sheddow would

- (a) seek a stay on the 21 days "closure of file".
- (b) Prepare the way with the Housing Dept for an official (formal) approach to use their car park from the Parish Council.

A.O.B. None

There being no other business the meeting was closed.

John W. Cook  
CHAIRMAN.

A Committee meeting was held at the Sports Pavilion on Tuesday 15th March 1993. Present was the Chairman Mr J.W. Cook, John Reynolds, Bernard Haynes and D. Cluceman. The minutes of the previous meeting were read confirmed and signed.

Matters Arising. Permission had now been given by the Housing Authority for the Parish Council to use the existing car park as an entrance to the new pavilion car park. This has now been referred back to David Byrne to incorporate in plans for the pavilion.

Gang Mower. A fairly new gang mower had been purchased but because it lacks certain parts and is of foreign origin, the question of using it is still in doubt!

A.O.B.

Bernard Haynes asked about putting a new land drain in the field? Mr Cook said this

(2) Bernard Haynes asked could the Parish Council do anything about the congestion occurring on the council car park on Saturday afternoons during football matches. This was due mainly to "trailers" being parked there. It was agreed to refer this to the next Council meeting and also to putting in a new car park.

There being no other business the meeting was closed

John W. Cook.  
CHAIRMAN.

A committee meeting was held at the Sports Pavilion on Tuesday 7th June 1983. Present was the chairman Mr. J.W. Cook, John Reynolds, Phil Pounds, B. Haynes & D. CHEECHAN.

The minutes of the previous committee meeting were read, confirmed and signed.

Matters arising.

Gang Mower. Working well, and no problems anticipated.

Mole Drain This would be started soon.

'French' Drain To try and cure the problem of 'flash' flooding across the car park and into the

knockdowns, a french drain was proposed to be put in running parallel to the existing pipe ditch, it was agreed this would be put in abeyance until the exact position of the new proposed pavilion was established.

Co-opting It was proposed by JOHN Reynolds and seconded by Bernard Haynes to co-opt JOHN COOK onto the Recreational Field Committee, all were in favour. It was also agreed to approach Michael Tofts with a view to co-opt.

New Pavilion After a general discussion it was agreed that JOHN COOK would liaise with David Byrne to finalise plans and costs, in addition, to suggest a "modular" system of build.

It was also agreed that JOHN Reynolds would provide for the next meeting sources of grants etc.

It was suggested that perhaps David Byrne could attend the next meeting? on Tuesday 5th July.

A.O.B.

Phil Pounder stated that the goal posts would be taken down after a game being played within a fortnight's time.

John W. Cook.  
CHAIRMAN.

A committee meeting was held at the Sports Field on 18th October 1983 at 7.30pm. Present was the CHAIRMAN MR. J.W. COOK, D. CHEESEMAN; JOHN COOK; DAVID BYRNE; JOHN REYNOLDS; BERNARD HAYNES, PHIL POWDER, & MICK TORTS.

The minutes of the previous committee meeting were read confirmed and signed.

Matters arising. Cooption Michael Torts.

It was proposed by JOHN COOK seconded by JOHN REYNOLDS all were in favour - to coopt MICHAEL TORTS onto the recreational field committee.

New Pavilion John Cook presented figures to the committee that based on the present plan, would cost approximately £22,000, but with a few alterations could be brought down to £17,500. This figure could be further reduced to say £15,000 if there was a 20% saving on <sup>by</sup> self labour costs.

With grants almost certainly available and £1200.00 in the account already, the committee would need to raise approximately £3,500.

It was agreed the following plan changes:-

Exterior The extended verandah to be dropped from the plan, in addition the scoreboard facility in the roof.

Interior The showers to have 3 heads instead of one in <sup>the</sup> shower room.

A toilet & wash basin in the referees room, this would double up as a ladies room.

The changing rooms to be reduced in size.

David Byrne when asked costs to draw up detail plans stated it would be approximately £100/150. This was agreed.

When detail plans had been drawn up and submitted for grants purposes and the value of grants known, a public meeting would be called to advise and seek full approval.

A.O.B.

Jack Cook sought the approval of the committee to protect the oak tree planted and submitting the bill to the Parish Council, this was agreed.

John Reynolds asked about the length of grass on the field, it was agreed it would be cut, with the exception of the football pitch.

It was also agreed to call the next meeting when the need arose. There being no other

J.W. Cook  
CHAIRMAN.

A Committee meeting was held at the Sports Pavilion on March 26th 1984.

Present was the CHAIRMAN MR. J.W. COOK, M. TIPS, JOHN COOK, JOHN THOMAS, Bernard Haynes & D. CHEECCMAN.

The minutes of the previous meeting were read confirmed and signed.

Matters arising New Pavilion The changes proposed at the previous meeting had been incorporated into new drawings & Building regulations had been approved.

Quotations for building the new pavilion (completely) and including VAT were as follows.

£22,500

£27,482

£31,885.

For grant purposes the quote of £22,500 would be submitted to the Boro' Council and the Sports Council. When an offer had been received back from these two sources, all the figures needed would have been received, Or is anticipated that

a public meeting could be called within 8 to 10 weeks.

### Electricity Bills

Since the previous meeting 2 electricity accounts had been received, both being paid by the Football Club. It was agreed to ask the Parish Council to pay the standing charges ( $2 \times £9.66 (19.32)$ ) these would be paid to the Football Club along with £10 from SHERCO, this in payment for their portion of electricity used at the tournament in 1983.

### Newport Pagnell Archers.

A letter from the above club had been received requesting a meeting to discuss possible use of the field. That meeting had taken place on [blank] where a tentative agreement had been reached subject to acceptance by the full committees of both sides.

Basic points were: (1) The use of a 6'x6' area in the "lean to" for storage purposes. (2) The use of the field for archery, shooting from the car park towards the by pass, alternating which side of the field according to the needs of the cricket & football clubs. (3) Possible use for extra ordinary purposes such as pre tournament practice. (4) Adequate insurance. (5) an offer of £35 for the 1st year

of use.

A second letter from the Archery Club had been received accepting the above terms.

It was agreed by the committee to also accept the above terms, the Secretary to provide the Archery Club with the football & cricket club fixtures list.

It was stated that parts of the ledge bounding the road had gaps in it, which could be a source of danger for somebody going through when shooting was taking place. It was agreed to fence this off, providing a gate or stile for exit or entry.

A.O.B. (1) John Thomas spoke of one of toilets being slow to function. It was agreed to investigate.

(2) John Thomas also asked "could the area between the path and the 'lean to' be made level, to make it easier to move the rollers etc?" It was agreed.

There being no other business the meeting was closed.

John W. Cook  
CHAIRMAN.

A Meeting of <sup>The</sup> Recreational Field Committee took place on Saturday July 28th 1984. Present was the Chairman Mr J.W. Cook, Mr John Cook, Mr M. Toffs, Mr B. Haynes, Mr John Reynolds & MR. D. CHEESEMAN.

The minutes of the previous committee meeting were read confirmed and signed.

#### Matters Arising. New Pavilion

Mr John Cook explained that an offer of a 50% grant had been received from the MK Boro. Council, and that a public meeting ought now to be arranged.

It was agreed, and a provisional date was set for the 1st week of September.

Arrangements would be made for a "handout" with all the known facts set out on it, to be put through each household in the village, this to obtain maximum coverage.

It was also agreed that at that meeting, it would be suggested that ideally two separate subgroups should be formed, with the sole purpose of raising funds for one group and the building to another group.

Both groups controlled by an expert in that field such as an accountant and a building supervisor.

It was agreed that <sup>the</sup> above arrangements would be presented to the Parish Council at their next meeting.

### Electricity Bills.

Bernard Haynes presented to the committee for payment 7 (seven) previous electricity bills. These had all been paid but since the Parish Council had agreed to pay the standing charges (£9.66 per bill) it was agreed to offer these to the Parish Council for reimbursement to the Football Club.

### Fence

The fence hadn't been repaired but since it was only considered dangerous because of Archery practice and the Archery practice hadn't taken place yet it was agreed to postpone it.

There being no other business the meeting was closed.

J.W. Cook  
CHAIRMAN.

A meeting of the Recreational Field Committee took place at the home of John Cook on Wednesday 2nd January '85.

Present was the Chairman MR J.W. Cook, John Cook,

Bernard Haynes, John Reynolds, Mick Tofts and D. Cleeceman.

The minutes of the previous meeting were read, confirmed, and signed.

Matters Arising. New Pavilion.

John Cook briefed the Committee with the latest

information available, as follows.

The application to the Sports Council for a grant was meeting with some difficulty because the Recreational Field Committee's finances were "channeled" through the Parish Council, and the Sports Council don't give grants to local authorities. However a fresh application was being made.

The letter to be distributed around the village asking for loans was nearing completion and would be available for distribution soon.

With the money already in the bank and strong promises of personal loans, the £5000. needed to start the project off looked like being available.

A starting date of March 1st was suggested, with D. Checcaman to provide the planning of the places required.

#### MK PUMPS - INVOICE

The Secretary presented an invoice from MK Pumps Ltd for the purchase of 4 tons of loam and the hire of a lorry to collect it from Kettering.

The invoice had originally been presented to the Parish Council, who asked the committee why retrospective payment was being asked for, when it had been agreed that all financial projects had first to be cleared with the Parish Council.

The Cuckoo Club  
of the purchase  
urgent because  
behalf of the

mower. In  
the start  
the season  
warm the

The Cricker Club representative explained that at the time of the purchase/hire, it was considered to be extremely urgent because of weather problems. He apologised on behalf of the Cricker Club and assured the Committee that it wouldn't happen again.

It was agreed that the invoice would be re-presented to the Parish Council for payment, because it was felt that the purchase of the loan was an essential requirement to maintain a good cricker square.

The Council would be asked to consider paying a reasonable charge for the hire of a lorry.

### A.O.B.

- (1) John Cook asked that in view of the above problems of the invoice, would the Football & Cricker Club provide the Committee with details of any future financial requirements. The Football Club didn't see any at the moment, the Cricker Club felt that the purchase of loan would be the main requirement for the future.
- (2) Bernard Haynes asked about the state of the mower. It was agreed it would be ready for the start of the season, but might not complete the season, without repairs. It was agreed to warn the Parish Council of the state of the mower.

(3) Bernard Haynes presented a cheque for £30 for the Parish Council, this was payment from Filgrave Football Club for the line of the football pitch.

(4) The fence at the end of the car park was down could this be repaired?

(5) Bernard Haynes asked could a stile be put in the gap in the hedge? It was agreed that this would be considered with "gating off" the existing entrance when the project was completed.

There being no other business the meeting was closed.

John W. Cook  
CHAIRMAN.

A meeting of the Recreational Field Committee took place at the home of Mr J.W. Cook on Wednesday 13th March '85 Present was the Chairman, Mr J.W. Cook, Mr John Cook, Mr John Reynolds, Mr Bernard Haynes, Mr Mick Tipton, Mr John Thomas and Mrs D. Chessman.

The minutes of the previous meeting were read confirmed and signed.

### Matters Arising

Grates. John Reynolds asked could the gate be left open for cricket matches, it was agreed, but the whole question of securing the boundaries of the field would be discussed after the completion of the new pavilion.

### Mowers.

The state of the mower had been reported to the Parish Council and Jack Cook was at present looking for suitable mowers, it was hoped that all available information would be presented to the next Parish Council meeting.

### New Pavilion - report.

The concreting of the footings had been completed and bricking up the footings would commence on Monday 18th March.

Volunteers would be required for the following weekend to put in the hardcore, with concreting the oversite weekend 30th March.

Agreement had been reached with Hemelgyns Ltd to manufacture the roof trusses for a total of £1300; with Bob Feasey / Albert West to build brickwork for £2200; with Bernard Haynes to supply bricks for £950. (Transport costs to be added later)

### Money Raising

The grand draw was being organised by Marnette Duckip, which it was hoped, would take place, during Minstercliffe St.

the May Day Celebrations.

The idea of a gymnasia was discussed to take place at the end of July in the field at the side of the recreational field, J.W. Cook to action.

### Football pitch - hire

Filgrave football club have asked can they have use of the football pitch for the season 1985/86? and can it be confirmed in writing to them so that they can present the confirmation to the Football League. It was agreed.

It was also agreed that the charge for hire would be for one game, £5.0, that they should be responsible for the state of the pavilion on departure, and that Bernard Haynes should have the responsibility for deciding whether the pitch was available and fit for use.

### Football/Cricket Club charges.

A tentative seasonal charge was agreed of £50.

Both club representatives to confirm with their respective clubs and confirm at the next meeting.

The Parish Council would maintain the boundaries and provide for tram, materials etc., with the clubs maintaining their own pitches.

The question of grass cutting to be agreed at a later date.

Mr Cook was thanked for the use of his

John W. Cook.  
CHAIRMAN.

A meeting of the Recreational Field Committee took place at the Pavilion on Thursday 10th October 1985.

Present was the Chairman Mr J.W. Cook, John Reynolds, John Thomas, Bernard Haynes, Michael Tofts, and D. Cleesehan. Apologies were received from John Cook.

The minutes were read, confirmed, and signed.

Matters Arising None.

Cricket Square John Thomas asked for the Parish Council to be approached for the sum of £100 this to be used to sow seed and turf where necessary. Jack Cook stated the matter had already been put to the Council and the Council asked if the request could be reduced. It was felt that it would not exceed £50, in view of the fact that Jack Cook had the seed available and could probably provide the turves free.

Charges. The Secretary reminded both clubs that the hire charges were overdue.

## Wiring Layout - New Pavilion

The Secretary presented the proposed layout and asked for comments. It was agreed <sup>with</sup> the following points.

- (1) There should be an isolating switch inside for the sockets providing power for floodlights.
  - (2) The 3 pin sockets should be at recognised floor level.
  - (3) There ~~is~~ a cooker point should be added.
- To accept the proposed layout.

## A.O.B.

- (1) John Reynolds about the gates into field: would the Parish Council provide and maintain?

It was agreed to ask at the next Council meeting.

There being no other business the meeting was closed.

A meeting of the Recreational Field Committee took place at the old pavilion on May 20th 1986.

Present was the Chairman Mr. J.W. Cook, Mr John Cook, Mr John Reynolds, Mr John Thomas, Mr Mick Tofts, Mr Bernard Haynes and Mr D. Cleesevan.

The minutes of the previous committee meeting were read, confirmed, and signed.

#### Matters Arising.

Cricker Square no costs were incurred during the refurbishment of the square.

CHARGES. John Cook asked the Football Club representative, Bernard Haynes, to clarify the situation for the Parish Council. How up to date the Football Clubs payments were?

Bernard Haynes stated that the £50 cheque recently paid to the Council brought the clubs up to date, what was outstanding was the Fulgrave football payments, approximately £50, and these would be paid as soon possible.

#### Co-option

It was proposed by Mr. J.W. Cook that MR JOHN COOK and MR MICHAEL TOFTS should be co-opted onto the committee for a further 12 months. This was seconded by D Cleesevan

all were in favour.

### Newport Pagnell Archers.

The Secretary stated that the Archers had made tentative enquiries to the Parish Council for use of the playing field, what would be the charge made. It was agreed a charge of £35.00 this until the end of August.

It was also agreed that the Archers' secretary should liaise with the Cricket Club secretary with reference to fixtures.

### Music Charges

It was agreed to discuss these fully at the next meeting.

### A.O.B.

① Mick Tofts ~~stated~~ stated that he was "secretary" of the M.K. Sports & Social Club, and that because they had no permanent base of their own, were looking for fixtures etc. on other grounds. It was agreed that fixtures should be arranged directly with the respective clubs, not the committee. It was also agreed to discuss charges for "outside users" at the next meeting, and in addition that only meetings having a sports association could use the new pavilion.

John Reynolds/John Thomas complained about the state of the dressing rooms after football matches. Bernard Haynes apologised, but stated that the postponement of matches had caused an overlap into the cricket fixtures and he hadn't had a chance to tidy up. It was agreed that the cleaning responsibilities would also be discussed at the next meeting.

John Reynolds also complained about footballers running onto the cricket square, it was agreed to discuss this at the next meeting.

John Cook asked - would the clubs instruct their members & visitors not to park opposite the garages, this was agreed.

John Thomas asked - would the committee authorise the installation of a permanent cricket net/practice area - it was agreed.

The cricket club to provide the nets etc, the Parish Council to be approached to pay for the ballast and concrete, the "digging out" to be done by the J.W. Cook.

John Cook stated that he hoped the New Pavilion would open by the end of June, financially the fund was still fairly good but getting towards the end, some more

money would need to be raised.  
There being no other business the meeting  
was closed.

John W. Cook

13.10.86.

A meeting of the Recreational Field Committee took place  
at the Old pavilion on Monday 13th October 1986.

Present was the Chairman, Mr J.W. Cook, Mr John Cook,  
Mr John Reynolds, Mr John Thomas, Mr Mick Tofts and  
Mrs D. Cleceman.

The minutes of the previous meeting were read  
confirmed and signed.

Matters arising. ① Hire charges.

John Cook proposes that the respective clubs  
should enter into a contract to hire to be drawn  
up by the Parish Council. It would run for a  
season, for example, the cricket clubs to run from  
April 1st until 30th September. In the contract  
would be terms and conditions including the  
lodging of a £50 bond to be used in the event  
of damage or failure to comply with the terms &  
conditions whereby extra cleaning for example  
has to be paid for.

This would  
It was agreed

Financially  
when the  
be overseen  
Boundary

This would include 'outside' clubs such as Filgrave.  
It was agreed that the clubs would report back on  
the £50 bond

### Pavilion contents Insurance

Secretary to check with Clerk of the Council - are  
we insured?

### Practice Area.

The base was completed - the support pipes were away  
being galvanized. It was suggested by John Cook  
that the Cricket Club should make an application  
to the Directorate of Recreation (Milton Keynes Boro')  
for grant aid towards the costs of the nets etc.  
The facility would be ready for Spring 1987.

### New Pavilion - progress report. John Cook.

The ceilings had now all been erected and 'attaching'  
would take place during week of October 20th.

There was four major tasks remaining.

Second fix electrics, sliding doors, dressing room floors, &  
fix 'turret' on the top. It was estimated that  
completion would be in about 2 months.

Financially, the project was still viable, but  
when the project was completed, there would  
be outstanding loans to be paid off.

### Boundary Fence

A meeting had taken place

between Brian Hamford and Mr Riley and it appeared that the Boro' would be willing to share the costs of erecting a boundary fence and there was the possibility of obtaining grant aid towards the balance of costs.

### Tree Planting.

Agreement had been reached <sup>between</sup> Michael Cook and Mr Riley on the selection of trees & shrubs and a planting schedule.

### Ground Case

John Reynolds stated that on expert advice they were going to scarify the cricket square and dress it with sharp sand. Jack Cook said that he would provide any kerbs required and arrange for the scarifying and sharp sand from Harrigans.

### Benches

Some benches had been given to the Cricket Club and these would be removed.

### Cricket Club Equipment.

John Thomas asked - could it be added to the Parish Council list of equipment and insured through them? It was agreed to ask the Council.

Roller (motor)  
John Thomas should be -  
Club would  
Grass Mower  
There was  
the 1987

### Car Parking

Mick To  
complained  
the garage  
matter at  
lighting  
It was  
for lighting  
at the far  
turned 90  
people's  
The beam  
was close

### Roller (motor)

John Thomas stated that it was worn out and should be renewed - it was agreed that the Cricket Club would apply for grant aid in 1987.

### Grass Mowers

There was a need to re sharpen and service for the 1987 season - Jack Cook would arrange.

### Car Parking

Mick Tofts stated that local residents had complained about visiting Keams cars blocking the garages. It was agreed to raise the matter at the Parish Council.

### Lighting

It was agreed to ask the Parish Council for lighting on the car park, one post at the far end (adjacent to ~~the~~ where the ditch turned 90° and at the rear of the old people's bungalow - Miss Watts)

The being no other business the meeting was closed
